Rohan

Age: 24 Years old

Occupation & Income: Full-time Tech, Gaming & Digital Lifestyle Creator earning ~₹1,30,000/month across YouTube, Instagram, and Reelio (fluctuating through YouTube AdSense, sponsored tech reviews, brand collaborations, and Amazon/ Flipkart affiliate commissions).

Target Audience: Gen Z and Millennial tech enthusiasts across Tier-1 and Tier-2 cities seeking gadget reviews, gaming setups, and budget-friendly electronics recommendations in Hinglish..

Tools & Platforms

Ae

Frustrations and Pain Points

- Irregular Brand Payments
- Rising Equipment Costs
- Time-Consuming Content
- GST & Compliance Expenses

Goals and Motivations

Establish Long-Term Brand Partnerships: Shift from one-time sponsored posts to recurring collaborations with brands like Xiaomi, Realme, HP, and JBL.

Expand Content Production: Build a consistent revenue stream that supports hiring a dedicated video editor and graphic designer to increase content output and improve quality.
