

Rohan

Age: 26 Years old

Occupation & Income: Full-time Tech, Consumer Electronics & Productivity Creator earning ~₹1,50,000/month (fluctuating via YouTube AdSense, Instagram brand deals, and Amazon/ Flipkart affiliate payouts).

Target Audience: Gen Z and Millennial males across Tier-1 and Tier-2 cities looking for buying guides, setup tours, and smart device comparisons in Hinglish.

Tools & Platforms

Frustrations and Pain Points

- Delayed Cash Flow
- Gear Import Duties
- Heavy Script Burden
- GST & Tax Overhead

Goals and Motivations

Secure Retainer Sponsorships: Move away from low-margin, one-off video mentions toward long-term retainer deals with brands like Samsung, OnePlus, ASUS, and Boat.

Build a Production Team: Reach a stable cash flow that allows hiring a full-time video editor and thumbnail designer to double video output.
